DPA (Docosapentaenoic acid) is the third long chain fatty acid:

- Essential for balancing EPA and DHA levels for optimal results
- Improves bodily absorption of Omega-3
- 10 times more effective than EPA in healing damaged blood vessels

*If a patient wants/needs the benefits of lutein, zeaxanthin and vitamin D, one MACULA 2 Essentials softgel at a cost of \$.25 per day meets the dosage of PRN, bringing the daily cost for complete ocular health to only \$1.03.

IMPORTANT TO NOTE:

**No contractual commitments or auto-ship minimum orders are required by ProMed Services.
ProMed is not a multi-level marketing company. You place your orders as needed. We are committed to eye doctors.**
